Sir:

In response to the Office Action mailed November 25, 2003, Applicants hereby elect Group II, containing claims 70-77, drawn to a color imaging processing.

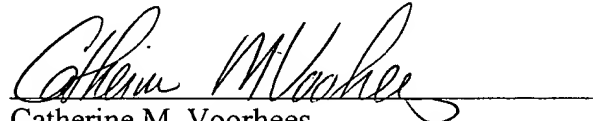

It is believed that an election of the species identified in paragraph 1 of the Office Action is not necessary, since Applicants elected claims 70-77 to be prosecuted in the present application. That is, the election of species requirement is directed to claims 43 and 61-67, which were not chosen for continued prosecution in the present application. Accordingly, an action on the merits is respectfully requested.

Applicants: Werner LEHNER *et al.*

A Petition for Extension of Time Under 37 C.F.R. 1.136(a) is being filed concurrently herewith, and a check, in the amount of \$110.00, for the one-month extension-of-time fee is also attached. Should the check be inadvertently missing, however, please charge the fee to our Deposit Account No. 22-0261, and notify the undersigned accordingly.

Respectfully submitted,
